

MEDF Provides up to \$500,000 in Capital to Manitoba Metis Entrepreneurs!

- Growth
- Acquisitions
- Expansions
- Start-Up

Investment

Within the investment portfolio, MEDF categorizes each investment into two portfolios based on investment amounts.

Micro-Investment: \$20,000 - \$100,000

Investment: \$100,001 - \$500,000

Max investment will be the lessor of \$500,000 or 35% of the fair value of the company

Helping Metis
Business Succeed

Investing
Program

The Metis Economic Development Fund (MEDF) is here to help!

MEDF helps Metis entrepreneurs by:

- Investing in businesses in start up and growth phase and acquisitions
- Investing mainly in the form of equity (such as common shares or preferred shares); or a hybrid of debt and equity (such as convertible debt).
- Monitor & Support: Consistent and regular monitoring process

Investing Requirements

MEDF requires the following in order to consider an opportunity available for investment:

- Incorporated and headquartered in Manitoba with a minimum Metis Entrepreneur ownership of 20% of the fair value of the corporation and together with other Metis shareholders or MEDF should be a minimum Metis ownership of 51%.
- applicants will be required to demonstrate their Metis heritage via genealogy
- Well balanced management team
- Well defined market with high growth potential communicated through a business plan

Success Stories

"The Metis Economic Development Fund investment is an exciting step in the growth of HD-Petroleum. The support from MEDF has allowed us to complete the required engineering work for our project to progress into the manufacturing phase."

TODD HABICHT
CEO, HD-Petroleum

"Without the support of MEDF we may have not been able to finalize all the costs we needed to purchase the equipment required to manufacture and grow."

LEE SANDERS
Owner, Security Glass

"Partnering with MEDF has had many benefits. Their knowledge and expertise not only aided in the expansion itself, but has been invaluable moving forward"

ROB RABICHUK
CEO, Connect Logistics
