

Business Conference a Huge Success

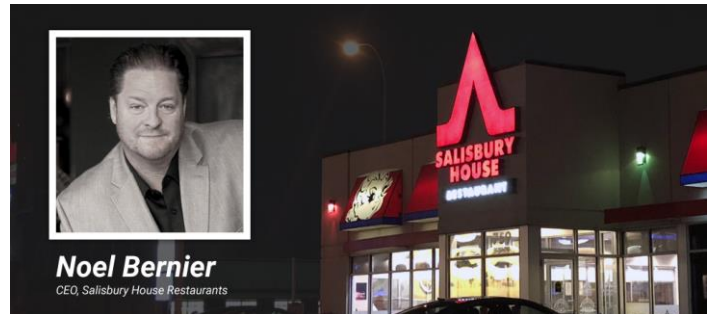

The Metis Economic Development Fund (MEDF) and the Louis Riel Capital Corporation (LRCC) recently hosted a Metis Business Conference in Brandon.

It was one of our most successful events based on attendance and feedback from those who participated! Highlights from the conference include an information session about MEDF and LRCC's programs, a procurement presentation by Metis N4 Construction, keynote speaker Noel Bernier, an "ask the expert" discussion, as well as a networking reception at Prairie Firehouse.

The focus of the event was to promote Metis Business opportunities in Brandon and the surrounding regions.

Overall the event was a great success! We hope to see you all again at our next business conference. Please visit our Facebook or Twitter, LinkedIn, and YouTube pages for information about our next event!

Salisbury House Restaurants Investment

MEDF is pleased to announce its most recent investment; Salisbury House Restaurants.

The Salisbury House restaurant chain has been serving quality food for 86 years in Winnipeg, Manitoba. Known locally as "Sals" the chain is considered an iconic Winnipeg institution.

Noel Bernier opened his first restaurant in 2008; Hermanos Bannatyne. He has since been involved in many business ventures and has been a part of various ownership teams that opened 10 hospitality concepts in Winnipeg including Carnaval Brazilian BBQ & Sherbrook Street Delicatessen.

Recently Noel completed a partnership acquisition of the Salisbury House restaurants. MEDF was instrumental in helping Noel complete this acquisition.
